

Inauguration Vendredi 29 novembre 2013 IECB

En partenariat avec

et

11.00-13.00

Introduction & Visit

11.00-11.30

Welcome address and presentation of IECB XRay facilities
Dr. Ivan Huc, IECB

11.30-12.00

Inauguration talks
Rigaku, IECB, CBMN and Parent institutions

12.00-13.00

Visit

13.00-14.00

Lunch

14.00-17.15

Scientific sessions

14.00-14.40

Overview of the EPSRC National Crystallography Service and New Advances in Transmembrane Anion Transport
Dr Phil A Gale, University of Southampton

14.40-15.20

Structural studies of Monalysin, a pore forming toxin from *Pseudomonas entomophila*
Dr. Alain Roussel, CNRS, University of Marseille, FRISBI

15.20-15.50

Coffee break

15.50-16.30

Phase Solutions : Crystallographic services beyond routine
Dr. Alla Arakcheeva, Phase solution, Geneva

16.30-17.10

Keys of the bistability in the crystals of molecule-based magnets
Pr. Juan J Novoa, University of Barcelona

17.10-17.15

Closing remarks
Dr. Ivan Huc, IECB
